

The diagram illustrates a network architecture. At the top, a large rectangular box labeled 10 contains two smaller boxes: 'WEB SERVER' labeled 20 and 'DATABASE' labeled 22. Below this, a central oval labeled 'INTERNET' is connected to six computer icons. Three computers on the left are labeled 16, and three on the right are labeled 14. A central vertical line connects the 'INTERNET' oval to the 'WEB SERVER' box. A curved line labeled 18 connects the 'INTERNET' oval to the bottom of the 'WEB SERVER' box. The entire system is labeled 10 at the top left.
